

Mustang Farm Foundation

A STRONG FOUNDATION FOR A BRIGHT FUTURE

Give 483 to 483

Support Mustang Farm Foundation

Give 483 bushels!

In 2024, the Mustang Farm Foundation (MFF) was founded by a group of farmers as a non-profit 501(c)3. The intent of our foundation is to fund scholarships for graduates of Southwestern Heights High School. MFF leases and operates 320 acres of farmland owned by USD 483, where all management and operations are donated by area farmers. The goal of the foundation is to farm the land and use the proceeds to fund an on-going scholarship program. To enhance the amount of funds made available, we will leverage our community members, businesses, and customers to operate the farm with all inputs donated and all income going directly to scholarships.

Scholarships will be awarded to graduates using a merit-based points system to encourage participation and reward achievement. Students will earn points through their academic achievements, attendance, and extracurricular activities. The more involved a student is, the more points they will earn. The more success a student has, the more points they will earn. We feel this system encourages students to become involved, as we know there are valuable life lessons learned through the classroom and also in sports and activities.

The success of the foundation will be greatly enhanced by the support of our community. We kindly ask that you consider financially supporting the Mustang Farm Foundation with a tax deductible donation. Your support and generosity have the potential to change the course of our community for generations to come.

Our campaign challenges farmers to pledge 483 bushels of the crop of their choice to Mustang Farm Foundation. All 483 bushel donors will be recognized for their generous contribution. Gifts of grain allows you to easily maximize your impact by transferring the grain directly to MFF, excluding the crop sale from your income, while still deducting the production costs, which can have a beneficial tax advantage to the producer.

Grain donations accepted at the following locations:

MKC
620-655-4891

ADM
620-563-7218

High Plains Dairy
